Thursday 19th December	Christmas parties
Fri 20th December	Last day of Term 2
Monday 6th January	INSET DAY

Dear Parents/Carers,

Thank you to everyone who came along to St. Andrew's Church to join us for our Harvest Service. All of your kind donations will be gratefully received by the North Bristol and South Glos foodbank. The children shared some super artwork, poetry, prayers and singing with us.

This week we have been discussing British Values and how they help us live safe, happy and healthy lives.

Last week in Collective Worship we focused on our final core value: Truthfulness and the story of Jacob and Esau. We discussed the importance of telling the truth and the freedom it gives us.

This week's Headteacher award goes to Ioan (Y4)

Finally, a reminder that school lessons start promptly at 8.45am. As the gate opens at 8.30am, we expect all children to be in School & ready to learn at 8.45am.

Thank you for your support.

Best wishes

Graham Pike

Sport

Tag Rugby

Last Friday a team of Year 3 pupils travelled over to Thornbury RFC to compete in the annual Tag Rugby festival. This festival was an introduction to most of the squad to playing tag rugby. The mixed team of boys and girls soon got used to the rules (and remembering not to pass forwards!) and played well, with some good defence and running with the ball.

Overall, the team played 3 matches and won all three. Thank you to all the parents, who came along to support the team.

If your child is interested in playing rugby for a community club then please speak to Mr Pike.

Cross – country

On Saturday a squad of runners from KS2 met at Dursley Rugby club to run in the first cross-country event of the year.

The first race of the season is one when everyone gets used to the distance and pace, especially if they haven't been part of the squad before. A good effort from everyone who ran and we look to see if they improve their times at race number 2 on Saturday 16th November.

Sporting Values Awards:

Molly (Y5)
Patrick (Y3)
Bea (Y5)
Hunter (Y4)

School vacancy

Do you know anyone who would be interested in the following role available at St Andrew's?

We urgently need a mid-day lunch supervisor and we are prepared to be flexible with the days and times worked.

If you do know someone who might be interested, please encourage them to contact the school for more details.

Wellies

There are still children in school without wellies. We aim to be on the field as often as possible but children without wellies will have to have their lunchtime play on the playground.
