

In school this week.....

As you are aware, this week has been sports week, with the children being coached in a variety of different sports. Thanks to all the coaches who came in to run the different sessions. All the coaches were very complimentary on the enthusiasm, engagement and behaviour of our pupils. Details of a number of the coaches who have been in this week are available on the school website if your child is interested in joining a local club or team.

Sports day was a great success on Thursday with **Earth** as this year's winners of the St. Andrew's Sports day cup. Congratulations to all the children for their efforts, not only on sports day but practising in the weeks building up to it.

Thank you to our school governors and Mrs Massey for their help with the judging and scoring and to all parents/ carers and grandparents for coming along to cheer the children on.

As it has been sports week, we have awarded different certificates this week.

These Sporting Values awards link to the Olympic values of excellence, respect and friendship.

The certificates this week were awarded to:

Florence, Eloise, Toby, Sam & Adam.

Next week.....

Next Thursday 4th July, our Year 6 pupils will be going to KLB for their secondary school 'taster' day. We wish them all the best and I am sure they will enjoy the experience.

Pupils in Reception through to Year 5 will be having a 'moving on up' morning on the same day in preparation for the next school year. In the morning, they will register in their current class before spending the rest of the morning in their new classes.

Staff in class next year:

Reception (Owls): Mrs West (Mon – Wed); Mrs Mayhew-Sanders (Thurs – Fri)

Year 1/2 (Hawks): Mrs Milverton; Mrs Moore (Wed pm)

Year 3/4 (Falcons): Mr Watkins; Mrs Moore (Mon pm)

Year 5/6 (Eagles): Mrs Woodcock; Mrs Moore (Tues & Thurs pm); Mr Pike (Fri pm)

Next week we will be welcoming the Dog's Trust into school to lead workshops for the classes and a whole school assembly. On Friday we will also be welcoming the South Glos library service in to lead an assembly.

Don't forget KS2 swimming starts again next week so the pupils will need their kit!

A gentle reminder

Thank you to those of you who have already sent in your completed parent/carer questionnaire & extended care survey. We would be very grateful if you could take the time to complete and send back into school by Friday 5th July.

An invitation

On **Wednesday 17th July**, you are welcome to come into your child's class after school (3.15pm – 3.45pm) for an open session to look at their work. Mrs West will also be available at different days (Parents of Owls, please contact her directly to find out times)

School lunches

Due to rising costs, the price of a school lunch for KS2 is increasing to £2.60 per day from September.

This is still fantastic value for one of Mrs Martin's fabulous lunches!

We need you!

We are looking for someone to join our friendly lunch team.

If you, or someone you know would be interested, then please get in contact with us.

Hours are 12noon to 1.30pm, Monday to Friday – job share available.

Staying safe in the sun

Now that the weather is finally heating up, it's important that all children know how to stay safe in the sun.

You can support us being **sun safe** by sending your child to school with a (labelled) hat and water bottle each day. They can also bring (labelled) sunglasses if they would like (these also help with hayfever). Sun cream should ideally be applied before school. If your child brings sun cream to school, they need to be able to apply it themselves and should not share it with other children.

More information can be found: <https://www.sunsafeschools.co.uk/>
